WELCOME LUBBOCK TEXAS, TO DALLAS SAFARI CLUB!!

It is with a great amount of appreciation that the leadership of DSC welcomes the Lubbock Sportsman's Club as our very first Chapter! DSC's mission of Conservation, Education, and the Protection of our Hunting Rights is now going to be further enhanced by the creation of our Chapter Network. The Lubbock Chapter of DSC is the perfect group to set the example of what we expect all Chapters to be.

As attendees to this event tonight we congratulate you for making the commitment to support this Chapter, their mission, and projects. With your continued support they will make a huge difference here locally by financing projects and initiatives that fit their mission. We encourage you to help in any way you can as they will truly make a difference and change lives.

Please realize that this Chapter will personally direct the spending of all the money you help them raise here tonight. Up to 75% of this money will most likely be spent right here in your own community! We applaud the leadership of the Lubbock Chapter, and recognize their efforts in forming and putting together one of the best teams we have seen. You can rest assured they are here for the right reasons.

As our hunting rights are continually challenged and our hunting heritage is under a spotlight, we at DSC are NOT backing down; quite the contrary. We are anxiously engaged at redoubling our efforts in fulfilling our mission. Our new Chapter Network will contribute a big part in helping us do just that, and not just here in Texas, but worldwide!!

A very wise man once said: "you can't judge a book by its cover, but you can judge a group by the fruits of their labors." We have already seen very positive fruits from the Lubbock Chapter of DSC, and with your help tonight we expect FABULOUS FRUITS to come. Thank you so very much for your support!

From the Lubbock Sportsman's Club Board of Director's

Welcome to the 2nd Annual Banquet of the Lubbock Sportsman's Club the first Chapter of Dallas Safari Club. We would like to thank each of you for making the effort to be here and support our mission "To conserve wildlife and wilderness lands; to educate youth and the general public and to promote and protect the rights and interests of hunters in the West Texas area and worldwide". The Banquet Committee has worked extremely hard to make this inaugural event something to remember by all in attendance. We have numerous donations from all over the world for tonight's event, and the proceeds earned will benefit many organizations in West Texas as well as across the world. These organizations lead the charge in protecting our ability to enjoy our passion for the outdoors and conservation efforts that will last generations ahead. Thank you again for attending tonight's banquet, and we appreciate every donation that is made to the wonderful causes we support.

About our Hunts & Trips at Tonight's Banquet

Each hunt and trip that will be offered tonight are of top quality, and are the same type of experience you would receive if you were to buy directly from the outfitter that donated the item. There are many reasons why these donors offer organizations like Lubbock Sportsman's Club these hunts. Their motivation could range from exposure of their operation, upgrades by winning bidders to additional days and/or animals; but the primary reason is to help get the message of conservation out to the public through events like tonight's banquet. Each donor makes their living off the outdoors and recognizes that organizations like Lubbock Sportsman's Club & DSC are instrumental in sustaining conservation measures and hunting in today's world. All items offered tonight are not a 100% donation to our club, some carry a reserve amount that must be paid back to the donor, or some have a percentage split between the donor and the club. The important thing to remember is many of these outfitters have been used by members of our chapter and we know can confirm their quality and value. Those that we have not had a personal experience with come highly recommended. This information is being communicated so that you may bid with the utmost confidence in the item you are interested in.

Thank you again for supporting our Lubbock Sportsman's Club Annual Banquet, we hope you have a wonderful evening, and please bid generously.

Sincerely,

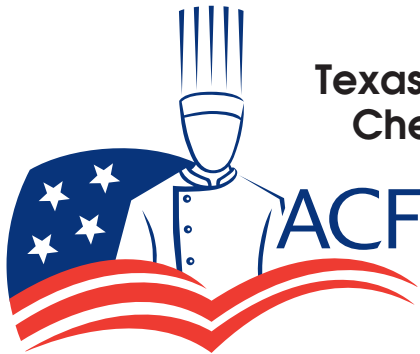

Tim Gafford

TO: Lubbock Sportsman's Club Inc.
Dallas Safari Club Chapter

We are thrilled that the Lubbock Sportsman's Club has enjoyed another year of growth and success. With societal pressures trying to shift us away from our traditional values of hunting, conservation and being the stewards of God's creation, it is more important than ever for organizations such as this to be successful in order to preserve a heritage that is undeniably woven into the fabric of this nation.

Being named the first affiliate chapter of the Dallas Safari Club in 2015 was a tremendous honor, one that you all have certainly earned. Your efforts to educate youth and the general public are admirable, and we certainly stand with you all in your ongoing efforts to protect our rights as hunters and outdoorsmen.

In the 84th Legislative Session, we voted on and passed Senate Joint Resolution 22, which provided a constitutional amendment to reinforce that hunting and fishing are this state's preferred method of wildlife management and conservation. That measure was passed by an overwhelming 81% of statewide voters which goes to show how many Texans stand by you in your efforts.

President Teddy Roosevelt once said, "we are prone to speak of the resources of this country as inexhaustible; this is not so". President Roosevelt would appreciate the work you do to ensure that future generations will be able to enjoy the same resources that we have today - we certainly do.

PIGMAN

Set deep in the heart of Texas, Leupold's Pigman: the Series takes viewers on a wild ride with its ever unpredictable and crazy Host/Executive Producer, Brian 'Pigman' Quaca, at the helm. Now in its seventh season, Pigman: the Series has earned rank as one of Sportsman Channel's top-rated shows by entertaining the masses with a plethora of hunts and locations. Of course Pigman's pursuit of pigs are always his love and passion, but don't think he isn't capable of sharing the love to any species who dares to step out in front of his sights. Pigman: the Series is Executive Produced by four-time Sportsman Channel Host of the Year, Brian 'Pigman' Quaca, in association with Luce Change Productions and Duality Filmworks.

JUNIE

She's a self-sufficient modern day mother of two raising her boys the only way she knows how: with a 'do-it-yourself' country-girl attitude and serious passion for the great outdoors. She can kill it, drag it out, skin it, gut it and cook it up good. This is one book that certainly refuses to be judged by its cover. Join host Junie James in her debut series "Just Junie" as she travels the country and abroad looking to put her OWN food on her family's table, and teach her kids the lessons she learned from her mother as a child.

“Sign of a Worthy Competitor”

John Banovich

www.johnbanovich.com

“The white-tailed deer is an iconic American game animal. There is something so thrilling to witness a mature buck roaming the forest floor in the early autumn morning light. The seemingly empty forest suddenly comes alive in these moments of solitude. Spending time in unspoiled nature lifts our minds, replenishes our spirit and renews our passion for living. This mature buck has gathered a doe and is on the search for more when he comes across a dropped pair of last year’s antlers on the riverbed. Upon closer examination he discovers this is not your average buck that left these sheds. This buck is legendary. Suddenly the doe hears something stirring in the leaves. Is it the monster buck who left the signs of a worthy competitor?”
