FROM THE LUBBOCK SPORTSMAN'S CLUB BOARD OF DIRECTOR'S

Welcome to the 7th Annual Banquet of the Lubbock Sportsman's Club the first Chapter of Dallas Safari Club. We would like to thank each of you for making the effort to be here and support our mission "To conserve wildlife and wilderness lands; to educate youth and the general public and to promote and protect the rights and interests of hunters in the West Texas area and worldwide". The

Banquet Committee has worked extremely hard to make this inaugural event something to remember by all in attendance. We have numerous donations from all over the world for tonight's event, and the proceeds earned will benefit many organizations in West Texas as well as across the world. These organizations lead the charge in protecting our ability to enjoy our passion for the outdoors and conservation efforts that will last generations ahead. Thank you again for attending tonight's banquet, and we appreciate every donation is made to the wonderful causes we support.

About our Hunts & Trips at Tonight's Banquet

Each hunt and trip that will be offered tonight are of top quality, and are the same type of experience you would receive if you were to buy directly from the outfitter that donated the item. There are many reasons why these donors offer organizations like Lubbock Sportsman's Club these hunts. Their motivation could range from exposure of their operation, upgrades by winning bidders to additional days and/or animals; but the primary reason is to help get the message of conservation out to the public through events like tonight's banquet. Each donor makes their living off the outdoors and recognizes that organizations like Lubbock Sportsman's Club & DSC are instrumental in sustaining conservation measures and hunting in today's world. All items offered tonight are not a 100% donation to our club, some carry a reserve amount that must be paid back to the donor, or some have a percentage split between the donor and the club. The important thing to remember is many of these outfitters have been used by members of our chapter and we know can confirm their quality and value. Those that we have not had a personal experience with come highly recommended. This information is being communicated so that you may bid with the utmost confidence in the item you are interested in.

Thank you again for supporting our Lubbock Sportsman's Club Annual Banquet, we hope you have a wonderful evening, and please bid generously.

Sincerely,
Tim Gafford

HIGH VOLUME DOVE HUNT

Hugo Pascuettin Wingshooting Adventures
www.hpwingshooting.com

This **4-day Dove hunt for four (4) hunters** is offered at the premier dove-shooting destination of the world - **Cordoba, Argentina**. The hunters' accommodations will be a private estancia, La Peumayen Lodge, which can accommodate up to eight hunters, with 3 air-conditioned rooms, 3 of which have private bathrooms.

The lodge has a spacious living room with satellite television, a stocked complimentary bar and a beautiful dining room where you will enjoy authentic Argentine cuisine. Guests also will be able to enjoy amenities such as free laundry service and free Wi-Fi. Shooting takes place in feeding areas near 3 large roosting areas within 20 to 50 minutes travel from the lodge. The areas are constantly scouted to ensure clients of having an excellent hunt. There are **no limits on dove**; so it is conceivable for a hunter to shoot a thousand or more birds in a single day. Each hunter will be assigned a "bird boy," who will be attentive to any need the hunter may have, such as keeping him supplied with shells and refreshments. The hunters will enjoy 3 full-days and 2 half-days of shooting.

Outfitter strongly discourages hunters from bringing their own shotguns. Gun license fees and time-consuming hassles of government inspections make renting guns a more practical option.

Hunt must be booked 3 months prior to available hunt date. Each of 4 Hunters must Prepay for 1st 100 Boxes of Shells, Hunting License, Gun Rental, and Transfer Fee—Total \$2,225 PER HUNTER

Hunt may be taken in 2023 or 2024

NILGAI HUNT

Wildlife Systems

www.wildlifesystems.com

This 2.5 Day/3 Night **hunt** may take place on two historic properties located in the Lower Rio Grand Valley of Texas. The H. Yturria Ranch has 2 camps, and provide almost 20,000 acres of prime Nilgai country, with an estimated herd over 600 Nilgai. Each camp is unique and comfortable, and built with an African safari type of façade. In addition, each camp has several chalets with two beds and a private bath, with air conditioning. The El Sauz Division of the East Ranches, located on the edge of Port Mansfield is comprised of 28,000 acres. Nilgai are the only animals commercially hunted on this property, and there is a large population. The lodge is exceptionally appointed, with high-end amenities and plenty of room for everyone to relax.

The Nilgai is native to India, but Texas is home to more Nilgai than its native country. Nilgai were originally stocked on the King Ranch in the 1930's, but over time have become very popular. These animals are very skittish and have keen eyesight making it very difficult to bring down. A mature bull can weigh up to 700 pounds, and rarely get dropped in their tracks. Hunt will be conducted primarily on foot and vehicle.

Hunt must be taken October 1, 2022 through May 1, 2023.

The arrival point for the hunt is Harlingen, Texas

Minimum caliber for this hunt is .300 Mag.

Included: Meals, Lodging, Guide Service, Transportation during the hunt, field prep of trophy.

Not Included: Transportation to/from hunt arrival point (\$100 per trip charge), accommodations before and/or after hunt, taxidermy and shipping; Gratuities to staff.

A Special Evening of Records, Donations and Magic

BY TIM GAFFORD, PRESIDENT OF DSC LUBBOCK SPORTSMAN'S CLUB

Sgt. Josh Bartlett of the Lubbock Sheriff's SWAT team

THIS AMAZING EVENING HAS ALLOWED OUR DSC CHAPTER TO GIVE OUT **OVER \$256,000 TO DATE IN SUPPORT OF WORLDWIDE EFFORTS.**

The Lubbock Sportsman's Club – DSC Chapter is the first DSC Chapter. We consist of some of the very best businessmen and women around who are also experienced hunters and conservationists. We have been at this for many years and have a real teamwork and dedication to our cause.

Don't miss our next Banquet Saturday August 27, 2022—more room, more vendors and outfitters, more fun!

Lubbock Board of Directors

Jim Bartos, Vice President
 Barry Cowart, Past President
 Ron Sawall, Treasurer
 Mark Morton, Secretary

Wayne Barado, Dan Boone, Kathy Boone
 Mike Metzger, Charlie Middleton,
 Mike Allison, Jerry Marts, Sterling Mize,
 Steven Tisdale, Joel Cowart

The Sixth Lubbock Sportsman's Club banquet on August 28, 2021, was a record night across the board after encountering several challenges along the way.

To set the stage, we usually host this event at the first of March. This means that the Fifth Banquet happened just days before the pandemic shutdown of 2020. As you can imagine in early 2021, things were looking a lot different. Our facility, the Lubbock Civic Center, was giving and storing vaccines, so there was no chance at holding our event at that time. Adapting, we changed to mid-May. But unfortunately, as the time inched closer, it was still a no-go as our doctor members counseled us to move on from that date. This left us with one shot—the last Saturday in August.

We also moved the event to a much larger room to accommodate any possible Covid spikes and space concerns. As things ended up, this was an excellent move, especially on the timing: no football, kids back in school, two weeks from dove season—perfect!

I had a strong feeling that the West Texas crowd was more than ready to get together and spend money for a great cause. This feeling turned out to be astoundingly correct.

This banquet saw record donations, sponsor hunts and sponsor tables. Volunteers dedicated countless hours leading up to and throughout the day of the event to make these things happen. Let me give a special mention to the Lubbock 4-H Club who helped in a big way, which we of course reciprocate, by sponsoring their NRE Shooting Complex.

But those successes did not come without challenges. We had a huge, unexpected tragedy in our community just weeks before our banquet. One of Lubbock's finest, Sgt. Josh Bartlett of the Lubbock Sheriff's SWAT team, lost his life in the line of duty, leaving behind a wonderful wife and family.

We were approached by our local gun supplier and partner Sharp Shooters who were contacted by the local Law Enforcement Association to possibly put something into our banquet. Sharp Shooters got a 100 percent donation for a fully loaded Daniel Defense AR for our auction. So, we came up with a plan. When the Law Enforcement Association contacted me, I told him that my goal was to make this the most expensive Daniel Defense AR ever—I'm talking Guinness Record Book material!

We had 30 live auction items of which our friend & partner Larry Weishuhn did a great job with the important role of reading the descriptions for the crowd. When the Daniel

Defense AR came up as item 31, I took over. This is where the magic came to play.

During the Live Auction, I was approached by a very generous family who informed me that they were going to give a significant contribution... and did not want the gun. They wanted to pass it back onto the auction field!

Tim Assitor, one of the Best Auctioneers in the business, went to town. The DD AR was passed 3 more times for big donations. The family came up and was introduced to the crowd as they thanked them for what they were doing.

Now, this was the hard part for me. Mrs. Bartlett and four of their young children all came to me while on stage, reaching out to shake my hand to thank me for what we were doing. Wow! All I could do was shake their hands, and say, "God bless you." It was tough trying to keep composure thinking about the impact of this night for a local family. This is definitely one of the many blessings one gets from what our DSC Chapters do.

By the end of the drive, the West Texas crowd raised \$135,550 for the Bartlett Family. We sure did meet the goal of setting the record for the most expensive Danial Defense gun ever sold!

As the evening ended, we set an all-time banquet record of a gross \$513,000—close to \$380,000 for our DSC Chapter plus the amount for the Bartlett Family. This amazing evening has allowed our DSC Chapter to give out over \$256,000 to date in support of worldwide efforts.

Actually, the full gravity of this did not sink in until later. I was filled with tears of emotion at how great a place I live in and what a great organization I am associated with both locally and with DSC.

Later we were able to have dinner with the Lubbock County Sheriff and some of his team, along with Sgt Bartlett's wife and one of his sons where we presented them with the certified check for \$135,550.

I told Sheriff Rowe, "we do not want to do this again, but will if needed." Some of our West Texas folk that were there for that special event told me that they will be there if needed to support. It is nights like the 2021 Lubbock Sportsman's Club – DSC Chapter that makes our hard work and effort worth it all!

The dinner hosted by the Law Enforcement Association in honor of the Bartlett family. Picture includes Lubbock County Sheriff Kelly Rowe, Tim Gafford, Charles Blackwell Izzy & the members of the Bartlett Family.

Some of the fine West Texas friends and donors to our Chapter Banquet, plus a friend from the Texas Rangers

We had some special guests from out of town that we appreciate having as big donors and supporters from DSC:

Michael Vernone – DSC President

Tim Fallon – DSCF President

Larry Weishuhn – DSCF Board & Auction Reader

Russell Stacy, Mary Edith Stacey & Kaylee Stacy

Karl & Rebecca Evans – Past DSC President & DSC Secretary

“ELE SKULL”

T.D. Kelsey

In today's world, it is rare to come upon an elephant skull that is fully intact, with no bullet holes from poachers and the tusks still where they belong. I was very lucky and found one in thick brush that had not been touched as far as I could tell by human hands. What a treat it was!

I decided right then I wanted to do a sculpture of it as I had found it. I took some photos and did several sketches before leaving it as I had found it.

I have no idea what had happened; but from my observation, he was not old when he died. I do hope it is still there in peace.

“IT’S ALL IN THE RUFF”

T.D. Kelsey

www.tdkelsey.com

In my opinion, a Transcaspien Urial is one of the prettiest of all the sheep. Very striking in his rutting colors with a long, flowing neck ruff outlined in black, separating it from a dark golden tan body. A mature ram of 7 to 10 years of age was my favorite of all the wildlife I had on my ranch. Very smart and elusive, they were a challenge to get close to. I hunted them in Turkmenistan many years ago before the country was closed to hunting. The bordering country of Iran had them as well.

TO: Lubbock Sportsman's Club Inc.
Dallas Safari Club Chapter

It is an honor to congratulate the Lubbock Sportsman's Club on enjoying another year of growth and success. It is important that traditional values of hunting, conservation and being the stewards of God's creation are preserved. It is more important than ever for organizations such as this to be successful, and the value that has been added by being affiliated with the Dallas Safari Club Chapter is remarkable.

The efforts to educate youth and the general public are commendable, and we certainly stand with you all in your ongoing efforts to protect our rights as hunters and outdoorsmen. The impact the Lubbock Sportsman's Club has made on your community is admirable.

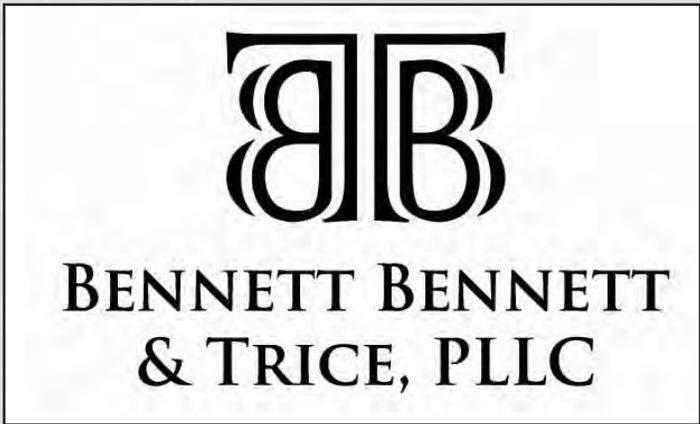

In the 85th Legislative Session, I authored and passed Senate Bill 720, which provided the Parks and Wildlife commission the latitude to amend carcass processing requirements and the definition of final destination in the event such a change is needed to mitigate disease risk. Most importantly, the legislation provides hunters more flexibility to leave certain carcass parts in the area where the deer was harvested, and allows out of state hunters to transfer carcasses to their home state. This flexibility should promote an increase in the hunting population in Texas, furthering the economic success of this great Texas industry.

If I can be of any assistance to the Lubbock Sportsman's Club please do not hesitate contacting me at 512.463.0340. I look forward to continuing to work with you, and support your hard work in maintaining our great state!
